

**Isle of Wight Athletic Club**

**Code of Conduct Throwers**

1. Athletes and parents of minors to read and understand the General Risk Assessment issued by IWAC in order to safely reopen the Fairway Track. This can be found on <http://www.iowathleticclub.co.uk/>
2. No athlete should attend if they are displaying symptoms of Covid-19.
3. No athlete should attend if they are in isolation following a positive test for themselves or family member, or have been notified that they have been in contact with someone testing positive by Track & Trace.
4. Hand washing as per guidelines and use of toilet essential before attending the track.
5. No car sharing other than with people with whom they co-habit.
6. Athletes to inform Coach if they are not attending training as agreed.
7. Athletes to meet at the Eastern Car Park at the agreed time.
8. Athletes to enter the track either with or under direction of their Coach.
9. Athletes to observe one way system for access and egress of the track.
10. Athletes to attend in freshly laundered kit.
11. Minimal kit to be brought to the track in one bag large enough to put track suit etc in when removing layers of clothing.
12. Drink containers to be kept in the bag at all times.
13. Bags must be placed >2m apart in a designated area. Bin liner may be brought along to put it in in case of wet conditions.
14. Athletes must bring and only use their own equipment.
15. Athletes must collect their own equipment after throwing and not handle other athletes equipment.
16. The Throwing Cage must be opened and closed by one person and all parts that have been handled must be cleaned.
17. Use of measuring tape will be undertaken by the coach.
18. Own hand sanitiser to be brought at all times.
19. Social distancing as prescribed by the Government to be observed at all times.
20. Athletes must keep to lane/s allocated by the Coach. Two empty lanes between athletes will be observed if athletes are running at the same time.
21. No spitting. Any tissues used must be placed in the double bagged bins provided.
22. Only hold the perimeter rail under the instruction of the Coach.
23. Coach to wipe rail with anti-bacterial wipes.
24. Setting up and handling of all equipment to be done by the Coach, such as wickets, cones etc. Athletes to avoid hand contact with equipment where possible.
25. All equipment to be wiped with anti-bacterial wipes following use.
26. Athletes must not mix with other training groups during each session, unless both Coaches are aware and are in agreement. Numbers of any group must not exceed the numbers imposed by Government Guidelines.
27. Gloves should not be worn. Thoroughly washed hands that are then sanitised are adequate.
28. Athletes choosing to wear a mask must wear it from beginning to end of the session and not take them off and on without thorough hand sanitising each time. Not recommended in this environment.
29. The Coach will have the rights to un-invite athletes attending training sessions if non-compliance of any of the above.
30. Club Athletes seen attending the track outside of their permitted training sessions with their Coach will be notified of this breach of our Code of Conduct and advised that this action could cause the use of the track for ALL to be terminated with the Isle of Wight Council.
